President's Message

I hope you all enjoyed the late summer, as it will nearly be done when we gather at our Annual General Meeting on September 15th at the Greenwood Inn. We will celebrate with new Grads and students at the swearing in of our new Executive. I hope you plan to attend this fun Pizza Party!

This will be my final message as President and I want to sincerely thank everyone for this very gratifying experience. I believe that we accomplished a great deal over the past year and assisted hundreds of our members in achieving their continuing education requirements. In November the system will change to the new CADA Competency program and that will require a slight change in tack for seminars and/or workshops. We need our members to communicate to us what they want to participate in to achieve their competency goals. Maybe it's a specific topic or speaker. Perhaps you would like to participate in a table Workshop day? Please let our new Executive know.

And finally, as I have mentioned at every meeting for the past year, we will be looking for your approval to hire an Executive Assistant to make our dedicated volunteer jobs easier and simpler. Again this year we are short on the Executive Board. Having someone work for all of us will ensure that our Association remains healthy and active.

Sincerely,

Maureen (Max) Cross, RDA
